17	The Green Reiner class is for beginning non-pro reiners who have not earned money in reining events (if money is earned in other											
18	classes after the Green Reiner's initial entry in the program, the rider will be allowed to remain in the Green Reiner class until they											
19	earn 30 points). The class runs on a point system and when a rider earns 30 points, he/she graduates out of the class and earns											
20	his/her Green Reiner belt buckle, to be awarded at the annual awards banquet. The number of horses in the class, exclusive of											
21	scratches, determines the number of points available for each place. The points are from the Yellowstone Slide Shows only and											
22	are cumulative from one year to the next. Riders may earn points on one or multiple horses. No points are awarded for zeroes or											
23	"no scores." Entry fees go towards the purchase of the belt buckles and are not paid out.
